Mr.

1. Before answering Mr. Bannerman's questions I'd like any input you have on this.

2.  is on leave this week. But as I understand it his proposals have been approved and space is available in the area where the Placement Division is now located to set up the Skill Bank. However, some special filing cabinets are needed and until they are on hand the project won't actually go into operation. I'm told Personnel thinks it doesn't have the money (about \$1,200 or so) to buy the cabinets this fiscal year. Maybe you can help them out.

Noon Meeting 20 June

6 Weeks needed to complete  
Vault space for "Skill Bank". Equipment has  
been ordered and vaulting requested.

Why wait to now - this should  
have been done months ago.

Please advise standing
